Finish Line Games
Publisher:
Finish Line Games
Release Date: 16 Dec, 2016

Minimum:

Requires a 64-bit processor and operating system

Storage: 112 MB available space

English

IM SO CONFUSED I DON'T KNOW WHERE TO ACCSES IT I FEEL AS IF IVE BEEN SCAMED. Absolutely the best music ur ever gonna listen to!. I bought this for the new wave version of Top Secret as it's a catchy pop song that I love. The rest of the album is composed moody ambient music heard in the game. Though I enjoy the games regular music it's worth noting they're shorter then most video game soundtrack titles (each is around 3 minutes). As stated you can find this in the same place you find every single dlc soundtrack, the games steamapps/common folder.. IM SO CONFUSED I DON'T KNOW WHERE TO ACCSES IT I FEEL AS IF IVE BEEN SCAMED. Its a good soundtack but only worth it for like 3 songs.
